

The background is a dark grey-blue. It features several orange circles of different sizes: a medium one in the top left, a small one in the top right, a large one in the bottom right, and a small hollow one in the bottom right. At the bottom, there are wavy lines in shades of orange and yellow, with a pattern of fine orange lines underneath them.

Consumer Brochure

What WeBill offers the Consumer

Webill provides significant savings over conventional prepaid vending systems with no hidden fees.

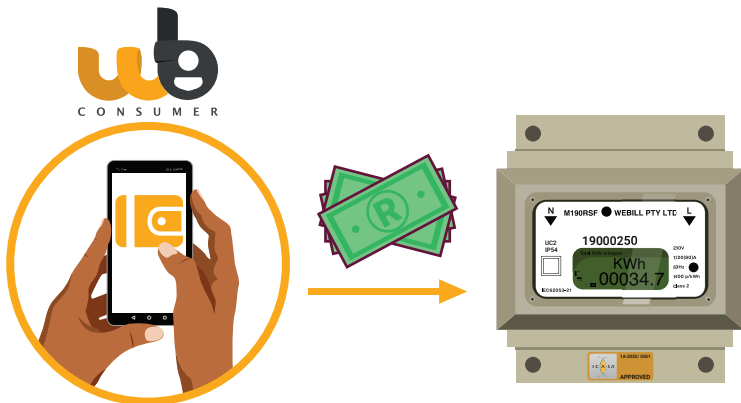

Our system reduces the costs associated with token prepaid systems meaning you get more electricity for your money.

No need to struggle to punch in long numbers into your meter, Webill's Consumer app allows for straightforward credit loading into multiple meters.

Easily monitor your electricity consumption and spending from your Consumer app and set up custom notifications to alert you when your balance falls too low.

Guaranteed *recoveries*.
